TREATMENT	COST	NOTES
COSMETIC CONSULTATIONS	\$95 – w/ Aestheticians \$275 – w/ Dr. Tareen	Consultation with Dr. Tareen or Aestheticians/Laser Techs to evaluate your skin and make recommendations for best treatment options to address your concerns. Consult fee will be applied towards your procedure.
LASER PROCEDURES		
PICO Genesis Laser	\$395 / full face treatment	PICO Genesis offers the treatment of brown spots and stubborn melasma on all skin types with little to no downtime. The faster, stronger pulse of energy essentially “shatters” the pigment without leaving damage from too much heat that can be delivered from other devices.
Laser Tattoo Removal	Determined by size ranging from \$150-\$450 / treatment	The newest technology utilizing both nanosecond and picosecond technology which allows for faster and fewer treatments needed. Treatments spaced 8 weeks apart and you will get improvement at each treatment until reaching desired result
Laser Skin Tightening	Face - \$395/ 4 for \$1300 Arms or Abdomen \$495 4 for \$1650 Thighs \$595 4 for \$1900	No-downtime, painless treatment that stimulates collagen remodeling. 4 weeks between treatments. Best results when done in a series. Areas include face, neck, hands, and stomach.
Laser Spider Vein Treatment	\$250-\$350	For treatment of smaller veins on the face and body. 2-3 treatments typically needed, spaced up to 12 weeks apart
KTP Laser - Cheeks or Nose	\$250-\$350 – Cheeks and Nose	1-3 treatments may be necessary, 4-6 weeks apart. Treats poikiloderma, telangiectasia (broken vessels) and cherry angiomas.

COSMETIC INJECTABLES		
Dysport Neurotoxin (same molecule as Botox)	\$5 / unit (units needed vary by area and by individual) Botox: \$15/unit	Dysport and Botox work to soften expression lines such as the furrow between the brows, the “worry lines” on the forehead and the “crow’s feet” next to the eyes from squinting. Dr. Tareen prefers the more natural look of Dysport over Botox as it softens lines without looking fake or frozen.
Dysport-Between brows, 50-80 units	\$5/ unit (\$250-\$400)	Complimentary touch up in 2 weeks if needed. Lasts 3-4 months on average. Same molecule as Botox that impedes the ability to make those dynamic muscle movements.
Dysport-Forehead, 30-40 units	\$5/ unit (\$150-\$200)	
Dysport-Eyes, 40-60 units	\$5/ unit (\$200-\$300)	Complimentary touch up in 2 weeks if needed. Lasts 3-4 months on average.
Dysport-Lips, 2-4 units	\$5/ unit (\$10-\$20)	
Dysport Neck – 10 units / band	\$5/ unit (\$50 per band)	
Restylane and Restylane SILK 1.0cc Syringe	\$750/ syringe – Restylane SILK \$750/ syringe - Restylane original	Smooth hyaluronic gel filler. Instant visible improvement. No patch testing required. Best for “fine tuning” and filling in superficial lines and creases. Great for delicate areas like lips and tear troughs. Most areas will start with 1 syringe, possibly 2 for deeper lines, folds or multiple areas of corrections. Fully dissolvable with hyaluronidase. Last 9-12 months depending on the amount used and area of treatment.
